Advice and information about boundaries for easements or rights-of-way.

Phone: 780-429-8805 or 1-800-665-2572

Email: info@alsa.ab.ca

Farm grants and incentives

Alberta Farm Fuel Benefit Program

Eligible farmers can receive a 9-cent-per liter provincial fuel tax exemption on the purchase of dyed gasoline and diesel (purple fuel).

For more information, visit the Alberta Farm Fuel Benefit Program website, [call 780-422-9167 \(toll free by first dialing 310-0000\)](tel:780-422-9167) or email AFFB@gov.ab.ca.

Clean Energy Improvement Program

The cost of installing renewable energy devices or upgrades to make a property more energy efficient may be eligible for financing through local municipalities.

For more information visit <https://ceip.abmunis.ca/>

Rural Electric Grant Program

For active Alberta farm producers, this grant supports access to basic, essential service at a reasonable cost. This program is administered through the Alberta Federation of Rural Electrification Association and runs from April 1st to March 31st each year.

For more information on the Rural Electrification Program, contact AFREA at communications@afrea.ab.ca or call 780-417-3396.
